# PC41E-D/PC42E-D Desktop Printer

PC41E-D and PC42E-D are compact, affordable, and easy to install desktop printers that address a wide variety of needs within the transportation, logistics, warehouse, and retail sectors.

## Overview

Feedback

### A One Stop Shop Printing Solution

**Built on the robust Printer Edge™ platform, the PC41/2E-D printers operate within a unified and standardized hardware and software platform that streamlines setup, ensures exceptional print quality and a seamless process management.**

### Increased Productivity

**With an intuitive and easy to use UI, the PC41/2E-D printers are designed for high performance through ease of deployment, use and troubleshooting. With reliable operation and enhanced connectivity, these printers are built to efficiently handle a variety of work environments.**

### High-Performance Printing

**Equipped with high-performance printheads, the PC41/PC42E-D delivers fast, stable, and high-quality output. By utilizing direct thermal printing, these printers ensure that receipts and labels are produced with optimal clarity and speed.**

### Robust Range of Connectivity

**The PC41/PC42E-D printer series offers multiple connectivity options to meet both basic and advanced operational needs.**

### Modern and Ergonomic Design

**Available in black or white to blend seamlessly into both front-of-store and back-of-store environments. Both are designed with rounded edges that enhance durability, helping to withstand the rigors of daily use while maintaining a professional appearance.**

### Versatile Accessory Ecosystem

**Equipped with newly upgraded main printer accessories and security to address multiple needs for the user and customer.**
